PROFESSIONAL SUMMARY

I am, Energetic and ambitious college student with 4 months of web development experience. Proficient in HTML, CSS, JavaScript, Node.js, Bootstrap, jQuery, and Angular. Strong problem-solving skills with a focus on creating visually appealing and user-friendly websites. Quick learner, dedicated to continuous growth. Excellent communication and collaboration abilities. Seeking opportunities to contribute to a dynamic web development team.

WORK HISTORY

Web developer, 01/2023 to 2022/05

WIMTACH - SCARBOROUGH, ON

- Developed and implemented responsive websites using HTML, CSS, and JavaScript, ensuring optimal user experience across different devices. (smart watch, tablet PC and mobile)
- Utilized Node.js and Express to build server-side logic and RESTful APIs, enabling seamless data retrieval and manipulation.
- Integrated Bootstrap framework to create visually appealing and mobile-friendly web interfaces, ensuring a consistent and responsive design.
- Stayed updated with the latest web development trends and best practices, continuously learning and applying new techniques to enhance development skills.
- Implemented client-side form validation and data handling, ensuring data integrity and security.
